

## 2014 Charles Vineyard "Clone 05" Pinot Noir

### FOURSIGHT WINES

#### WINEMAKER'S NOTES:

The 2013 Clone 05 Pinot Noir is produced from several blocks of Pommard 05 clone of Pinot Noir grown in our estate vineyard.

It is hand-harvested, sorted in the field and again upon arrival at the winery. Because of the excellent ripeness of the stems this year, we included 50% whole clusters in our fermentations — the most to-date.

Punchdowns were done by hand in small, one-ton fermenters, and the wine was fermented with all native yeast and ML strains (we have never inoculated at our Boonville winery). It was bottled unfinned and unfiltered.

Cleaning and caring for our wooden basket press is a continuous task

Tasting barrels during our first few vintages inspired us to craft a 100% Pommard clone blend, and now we bottle this "Clone 05" each and every year. It shows the beautiful red fruit that Pommard is known for, alongside earthiness and toasty oak.

**Clones:** 100% Pommard 05

**Alcohol:** 14.0%

**Barrel Aging:** 40% new French oak barrels

**pH/TA:** 3.67 / 5.9

**Ingredients:** Grapes, tartaric acid, sulfur dioxide

**Suitable for vegetarians and vegans**

**Cases Produced:** 125 (12, 750mL bottles)

**Release Date:** October 2016

**Suggested Retail Price:** \$52
