

2020 Charles Vineyard Sauvignon Blanc *Charles Vineyard, Anderson Valley*

WINEMAKER'S NOTES:

The 2020 Sauvignon Blanc was harvested from our estate vineyard in Boonville — one of just a few vineyards planted to Sauvignon Blanc in the entire Anderson Valley appellation.

Our climate is cool for Sauvignon Blanc, and our three-acre block must be farmed as carefully and intensively as our Pinot Noir to achieve optimal ripeness. It requires a lot of work, but we are certain it's the reason why we love the resulting wine so much.

The 2020 release is 89.7% Sauvignon Blanc and 10.3% Semillon, fermented with wild yeast and ML strains. It was aged in stainless steel & neutral French oak barrels.

All our wines are labeled with ingredients and the statement "this wine is suitable for vegetarians and vegans." The only two ingredients used in producing this wine were grapes and sulfur.
