

FOURSIGHT WINES

2008 Charles Vineyard "All-In" Pinot Noir

WINEMAKER'S NOTES:

We used a poker term (all in) to describe this wine — a combination of all of the Pinot Noir clones grown in our estate vineyard. The fruit for this wine was hand-harvested, with our close supervision and involvement (as with all our wines).

The wine was 80% destemmed and fermented with 20% whole clusters and wild yeast. Punch downs were done by hand and malolactic fermentation was completely wild as well. No racking was done while the wine was aged in 100% French oak. This wine was filtered.

This wine is suitable for vegetarian and vegan diets.
