

2015 Charles Vineyard Sauvignon Blanc

WINEMAKER'S NOTES:

The 2015 Sauvignon Blanc was harvested from our estate vineyard in Boonville — one of just a few vineyards planted to Sauvignon Blanc in the entire Anderson Val-

ley appellation.

Our climate is cool for Sauvignon Blanc, and our fouracre block must be farmed as carefully and intensively as our Pinot Noir to achieve optimal ripeness. It requires a lot of work, but we are certain it's the reason why we love the resulting wine so much.

The 2015 release is Sauvignon Blanc and a small amount of Semillon, fermented with wild yeast and wild ML strains, and bottled unfined and unfiltered (we have never inoculated at our winery in Boonville). It was aged in a combination of stainless steel and neutral French oak barrels, for 11 months.

All our wines are labeled with ingredients and the statement "this wine is suitable for vegetarians and vegans." The only two ingredients used in producing this wine were grapes and sulfur.

Alcohol: 12.9%

Blend: 88% Sauvignon Blanc & 12% Semillon

Aging: Neutral French oak barrels and stainless steel

Clone: 376

pH/TA: 3.14 / 9.6
